---

The meeting was called to order at 10:10 AM

1. Applicant Address: 464 Los Altos Road – Re-roof – Approved

The PIP Selection Committee denied this application unanimous on the previous meeting on May 23, 2018 based on the fact that new roof wouldn't enhance the property. The applicant revised the application and now is proposing to re-do his roof with the utilization of metal as a roof material.

The PIP Selection Committee reviewed the application and conditionally approved this application. The application was approved with the following condition:

- Provide copy of current homeowner insurance policy, existing policy expired on June 11, 2018.

It was the consensus of the PIP Selection Committee to approve this application.

**ADJOURNMENT**

Hearing no further business, the meeting was adjourned at 10:20 AM.
